

# Community Information Evening

## Breakwater Wharf Extension, Eden

The evening will give anyone interested in the wharf extension the opportunity to learn about the design and schedule, and meet the team involved in delivering the project.

**Where: The Sapphire Coast Marine Discovery Centre**

**Time: Drop in any time between 3pm and 7pm**

**Date: Tuesday, 9 December 2014**

**Who: Anyone with an interest in the Breakwater Wharf Extension Project**

Eden is currently used as an occasional stop over for cruise ships. The Breakwater Wharf Extension Project will allow cruise ships up to 260 metres to dock at the port.

It's expected that there will be an increase in the number of cruise ships stopping in Eden once construction is complete.

Construction of the Breakwater Wharf Extension is expected to commence in mid-2015 and is expected to provide increased economic activity during construction and economic opportunities once complete
